

**UNIVERSITY OF CRETE
DEPARTMENT OF BIOLOGY
M.Sc. STUDIES**

Application for M.Sc. Program.....
.....

Description of Interests

Surname(family name):..... **First name:**

HOW TO FILL OUT THIS FORM

Please explain the reason(s) why you wish to specialise, or to carry out research in the chosen area. Refer to theoretical, technical, experimental and/or other interests, and explain in what way(s) your present background and your future post-graduate studies at the University of Crete will help you to realise these aims and further your long-term career prospects. You may give relevant information about your academic and professional occupation.
